

Technical drawing of a plot of land with dimensions and annotations. The drawing shows a polygonal boundary with the following dimensions and features:

- Top Boundary:** A line segment of length 48,00. The interior angle at the top-right vertex is 58°.
- Right Boundary:** A line segment of length 61,00. The interior angle at the bottom-right vertex is 96°.
- Bottom Boundary:** A line segment of length 33,00. The interior angle at the bottom-left vertex is 80°.
- Left Boundary:** A line segment of length 83,10.
- Internal Features:**
 - A dashed line represents the **INCLINAÇÃO DO TERRENO** (terrain slope).
 - Four points are marked with elevations: 1,60, 0,00, 1,80, and 0,00.
 - A shaded rectangular area is labeled **PARADA DE ÔNIBUS EXISTENTE** (existing bus stop).
- Other Dimensions:**
 - 7,50 and 5,00 are vertical dimensions on the left side.
 - 6,60 and 5,30 are horizontal dimensions on the right side.
 - 8,00 is a horizontal dimension at the top right.
 - 1,70 and 5,00 are dimensions related to the bus stop area.
 - 3,50 is a vertical dimension at the bottom right.

El escudo de armas del Estado de Dilemando de Aguiar presenta un castillo coronado en la parte superior. El campo central está dividido: a la izquierda, un río con una vaca que bebe; a la derecha, un molino de agua sobre un río, con una escalera que conduce a él. El todo está rodeado por una guirnalda de espigas de trigo y maíz. En la base, una cinta roja contiene el texto "DILEMANDO DE AGUIAR".
